If you forget to print the boarding pass, don't worry as Air India mails it to the registered email address once you have successfully check-in online. You must note that there are some preferred seats that are prepaid and are not available through web check-in service. Those who select the former, have to provide the 13-digit E-Ticket number or the 5-8-digit Booking Reference, date of journey and departure airport. Q: What is web check in? For international flights, one has to follow the aforementioned steps, except for a minor alteration. A: Yes, you can use the web check-in service for getting the boarding pass/confirmation slip for your entire family. Alternatively, click on to directly access the web check in page. A: Yes, you can get the chosen seat through Air India web check in if it's available. A: Yes, this facility is available to almost everyone, except unaccompanied minors and passengers with special requests, such as a wheelchair. In case of check in baggage, report well in time to complete the requisite formalities. These counters are open only up to 45 minutes (domestic flights) and 60 minutes (international flights) prior to the time of departure. After this, seat selection needs to be done. Web check-in service is one of the most popular check-in options as it is time-saving and quite convenient. Q: Will I get a seat of my choice if I avail Air India web check-in service? Steps to Follow for Air India Web Check-in Log on to the Air India website airindia.in and click on the Manage Your Trip section. For more family members, you will have to log in again for Air India web check in within the stipulated check-in time window. A: Passengers travelling on domestic flights get the boarding pass on successful completion of the Air India web check in process. Next, choose either Electronic Ticket Number/Booking Reference or Frequent Flyer Card Number, as applicable. After the completion of all the check-in formalities at the airport, the boarding pass is issued. Air India is the national carrier with a fleet of new and refurbished aircraft connecting about 100 cities around the world. Q: Can my entire family use the web check-in service? The check-in options, be it web check in or mobile check in, help save time, but not for all - minors travelling alone or people with special prerequisite such as a wheelchair cannot avail web check-in service. The web check-in service is also unavailable for passengers travelling from Dhaka and other Code Share flights. A: No. You need to carry a valid photo ID along with web check-in boarding pass to enter the airport. So, you can print whenever you want. Q: Can I enter the airport using my web check-in boarding pass? While doing seat selection, note that some seats are available for free while others are not. A: Yes, Air India provides web check in to all its passengers with a confirmed ticket in any class of booking. Air India email contact details are call.del@airindia.in and call.bom@airindia.in. Along with the printout of the boarding pass, make sure to carry a valid photo ID. can be completed in just a few minutes. However, there are a few flights for which the check-in window is 54 hours in advance. A maximum of 9 passengers can use Air India web check-in service at a time. However, if there is just hand baggage, directly proceed to the security check counter at the airport. Fill in the requisite details and get the boarding pass/confirmation slip on completion of the process. On the date of journey, carry a printout of this confirmation slip and complete the remaining check-in formalities at the airport to get the boarding pass. From outside India, call on international chargeable numbers +91-22-25818515 and +91-44-66921455. Thereafter, select the web check-in facility amongst the listed check-in options to get started. So, careful consideration should be given to the check-in time and one must reach the counter well in time to drop the baggage. A: Air India Web check-in service is available 48 hours to up to 2 hours before the time of departure of the flight. Q: Does Air India provide web check-in option? The whole web check-in process, including seat selection, check in baggage, etc. Q: Can everyone access Air India web check-in service? A: Web check in is a facility provided to passengers with a confirmed ticket to check-in in advance. Besides, the emergency exit row seats are not available for pregnant women, elderly, unaccompanied minor, children below 15 years and passengers with special needs, etc. International travellers get confirmation slip and not boarding pass post Air India web check in. Once all the formalities are completed, they can get a boarding pass in exchange for the confirmation slip at the airport. Print the boarding pass to complete the Air India web check-in process. On the other hand, those who have used the Frequent Flyer Card Number for booking tickets, need to provide the Frequent Flyer Card number, name of the airline or program, date of journey and departure airport. A: It is advisable to reach the airport well in time to complete all the requisite formalities, such as security check, dropping the check in baggage, etc. Q: Will I get a boarding pass after web check-in? Herein, a confirmation slip is issued instead of a boarding pass. A: Air India web check in process is quite easy - log on to the Air India website on a PC or a laptop, then open the web check-in page under the Manage Your Trip section. Once the seat is confirmed, the boarding pass is issued. Moreover, Air India has the right to refuse or change the seat due to operational reasons. Alternatively, you can use the self-check-in kiosks at the airport to get the boarding pass. Those travelling abroad receive a confirmation slip as there are a number of other formalities that they have to complete at the airport before boarding an international flight. Web check-in time spans from 48 hours to up to 2 hours prior to take-off. The check-in time window to avail the facility of check-in online starts 48 hours prior to departure and up to 2 hours before the take-off. So, don't waste time and effort, just opt for the easy Air India web check in option. For some flights, passengers can check-in online around 54 hours in advance. Q: When do I have to reach the airport after Air India web check-in? Air India Customer Care Support For any query, contact the customer care toll number 1860-233-1407 from anywhere in India. A: For those who have done Air India web check in with luggage have to deposit the check in baggage at the dedicated counter for tagging. However, only 9 members can check-in online at a single time. Q: What about my check in baggage? Q: How can I do web check in with Air India? The airline is part of the renowned Star Alliance network that enables passengers to travel to over 1300 destinations across continents without any hassle. Hence, it is better to reach at least 90 minutes prior to departure to avoid any inconvenience. Q: When can I do web check-in? For seamless service, Air India offers web check in, mobile check in and numerous other facilities. Things to Remember While Doing Air India Web Check In Generally, Air India web check-in can be done 48 hours to up to 2 hours prior to the departure time. The Air India counters close 45 minutes before the departure of domestic flights and 60 minutes before the departure of international flights.
